ANNUAL REPORT 2022-23

inspiring hearts and minds

REACH HIGHER *inspire*

Dear Tiger Nation,

The 2022-2023 school year has come to a close and once again the Dripping Springs Education Foundation (DSEF) and I are proud to share that we collectively reached our goals and commitment to the Dripping Springs Independent School District (DSISD). Our commitment to our students, faculty, and administration is stronger than ever and we were pleased to award over **\$483,150** this year.

The Board is grateful for the community's continued support of our mission and dedication to our students and staff. Mental Health is still our top priority and the programs within our district have continued to develop and expand the reach to even more of our growing population.

We are excited to report that our annual Golf Tournament, Clay Shoot, and the celebrated Fiesta Gala were all a tremendous success this year. We approached these events with renewed energy and a stronger focus on our mission, and the response from the community was overwhelming. Thanks to your enthusiastic support, we sold out all of our events in record time. Your unwavering dedication to our cause is truly inspiring.

As the educational landscape continued to evolve, we were excited to continue our signature ITGs (Innovative Teaching Grants) and SLGs (Student Leadership Grants) programs and granted **\$89,516.68** to our teachers, staff, and students.

Throughout the year, DSEF had the privilege of celebrating our Teachers, Administrators, and Staff with our Tiger Appreciation initiatives, recognizing their invaluable contributions to our community.

One of the cornerstones of our mission has been the Mental Health Initiative, which has positively impacted thousands of students across all DSISD campuses over the past four years. This initiative has provided essential tools, coping strategies, and interventions to those who needed it the most. Addressing mental health within our community is of utmost importance, and these programs have been instrumental in changing the lives of our most precious resource - our children. This year, we were eager to add an additional mental wellness piece for our District's Staff. A partnership with the Samaritan Center and DSISD provided a full-time Licensed Counselor, dedicated to supporting all DSISD Staff.

None of this would have been possible without the unwavering dedication of our past, current, and future champions of DSEF. Your support and investment have enabled us to provide better opportunities to more students in Dripping Springs ISD. We are profoundly grateful for your generosity and commitment to our cause.

As we look to the future, I am confident that together, we will continue to make a positive impact on the lives of students and educators alike. Our mission remains resolute, and we are excited about the possibilities that lie ahead. Thank you for being an integral part of our community and for making a difference.

With gratitude,

George E. Gomez
President

MENTAL HEALTH SERVICES INITIATIVE FOR STUDENTS AND STAFF

The Dripping Springs Education Foundation is proud to partner with DSISD on our Mental Health Services Initiative, with the shared mission of bringing affordability, accessibility, and acceptability of mental wellness to our community. Since 2019, DSEF has helped fund three Licensed Mental Health Professionals (LMHP) to provide services to our Tier 1 students (most critical) across all of DSISD. These LMHPs work in conjunction with our nurses and counselors to provide services to students who need specialized and more frequent interventions.

In the summer of 2022, the DSEF Board voted unanimously to increase our funding to provide a licensed counselor dedicated to providing services for our staff. **IN DECEMBER, OUR STAFF SUPPORT MENTAL HEALTH COUNSELOR, MICHELE CHANDLER OF THE SAMARITAN CENTER, BEGAN WORKING WITH OUR STAFF MEMBERS, AND QUICKLY HAD A FULL CASE-LOAD.** This is an incredible achievement for us, and one we are so proud to fund for our hard-working and dedicated staff members.

In total, DSEF was able to give **\$352,712 TO DSISD TO SUPPORT MENTAL WELLNESS IN DSISD!** This consists of DSEF's \$300,000 commitment for staffing, plus \$22,712 in grant funding received from Hays County, and a \$30,000 anonymous donation to implement a **HOPE SQUAD*** at Dripping Springs High School.

THANK YOU TO THE FOLLOWING FOR CHAMPIONING DSEF'S MENTAL HEALTH SERVICES INITIATIVE: BUDDY L CONSTRUCTION, EMILY LYNCH, DRIPPING SPRINGS COMMUNITY FOUNDATION, MICHAEL O'CONNOR, AND THE FINN FAMILY FOUNDATION.

NUMBER OF STUDENTS SEEN THIS SCHOOL YEAR: 115 (DOES NOT INCLUDE STUDENTS SERVED IN GROUP SESSIONS)

MAJOR NEEDS ADDRESSED BY LMHPs FOR STUDENTS: ANXIETY, DEPRESSION, GRIEF, IMPULSE CONTROL, GRIT, TRAUMA, DANGER TO SELF OR OTHERS

" Student A began counseling services after facing numerous disciplinary and attendance issues. Their family had no resources or means for outside services, and the student expressed a desire to drop out of school prior to beginning counseling. After establishing a connection with this student, it became apparent that there was significant trauma and loss in their history. They were utilizing unhealthy and unsafe ways of coping through these challenges, and expressed a poor outlook on their future. Through much work, this student was able to process their trauma and recognize how their unhealthy coping strategies were reinforcing the negative impact of the trauma on their life. They were able to find meaning in their experiences, and developed the confidence to identify healthy boundaries, establish positive new relationships, identify and focus on the things within their control, and to banish negative coping strategies and replace them with healthier ones. Their academic goal shifted from dropping out to graduating, which this student was able to accomplish this Spring."

" A student who was referred for counseling services was able to graduate despite numerous barriers and challenges in their personal and academic life. They described counseling as the one safe space for them to process their difficulties and find the self-confidence that they deserved. They emphasized the importance of having at least one person that accepts you for who you are and believes in you when no one else will, and shared that they have a healthier and more positive outlook for their future."

* Hope Squad

The Hope Squad initiative is a peer-to-peer suicide prevention program that has been established in over 1,600 schools across the nation. This program will be focused on the following outcomes:

- ›› Training our staff and community members in youth suicide prevention through evidence-based training
- ›› Empowering the natural helpers in our school through peer-to-peer suicide prevention training
- ›› Raising awareness of mental health and youth suicide prevention resources
- ›› Educating students on how to recognize suicide warning signs and respectfully report concerns
- ›› Training students how to support fellow students who may be struggling
- ›› Increasing connectedness, inclusion, and social-emotional learning skills
- ›› Increasing help-seeking behaviors

HOPE SQUAD WILL BE OFFERED AS AN ELECTIVE CLASS TAUGHT BY ONE OF OUR HIGH SCHOOL TEACHERS AND SUPPORTED BY ONE OF OUR COUNSELORS. CURRENTLY, THERE ARE APPROXIMATELY 23 STUDENTS WHO HAVE BEEN NOMINATED AND ARE ABLE TO ADD THIS COURSE TO THEIR SCHEDULE FOR THE 2023-24 SCHOOL YEAR. THROUGHOUT THE YEAR, THE PROGRAM WILL HOST ACTIVITIES AND OPPORTUNITIES FOR STUDENTS OUTSIDE OF THE CLASS TO BE INVOLVED AS WELL.

THANK YOU FOR SUPPORTING MENTAL HEALTH AND WELLNESS IN DSISD. FOR MORE INFORMATION OR OPPORTUNITIES ON SUPPORTING OUR MENTAL HEALTH INITIATIVES, PLEASE CONTACT AMY EMBREY VIA EMAIL: ADMIN@DSEEDUCATIONFOUNDATION.ORG
