ANNUAL REPORT 2019-20

Dear Believer in Empowered Education,

2019-2020 is in the books and the Dripping Springs Education Foundation (DSEF) once again rose to the occasion of fulfilling our vision 'To Engage our Community to Provide More Students with Better Opportunities' in full support of Dripping Springs Independent School District's (DSISD) critical initiatives, including mental health. This was our first year of a three year commitment to funding the equivalent of three full-time mental health professionals. The community response in support has been overwhelming. Our DSEF Board has opened up new lines of communication with the community and donors and implemented new avenues for donors to give in support of our vision.

We are also happy to report that all members of the DSEF Board are actively engaged in our vision by serving on select committees and we are grateful for those members who have stepped into leadership roles within the Foundation. It is this engagement and commitment that gives us great confidence that we will continue to grow and meet the financial commitments we have made. The second half of the school year has brought many challenges to the broad community and DSEF understands the headwinds and is taking the necessary steps to ensure a successful 2020-2021, both operationally and from a fundraising standpoint. One key to support ongoing success is ensuring fresh ideas and perspectives coupled with unwavering energy on the DSEF Executive Team. We are happy to announce George Gomez will take the reins as President. George is a natural leader with tremendous experience in the non-profit sector and his passion for serving students and the entire DSISD community will drive DSEF higher in all areas.

We are excited to walk with DSISD through the upcoming school year and willing to adjust wherever necessary to meet the challenges that come with uncertainty in public health. Serving this community is the heartbeat of DSEF, and all Board members will continue to do what is necessary to ensure our vision is carried out into the future.

Max Hunsicker
Past Board President
(2017 - 2020)

Dear Tiger Nation,

This past year has been a true testament of our dedication and commitment to Dripping Springs Independent School District (DSISD). Our renewed vision 'To Engage our Community to Provide More Students with Better Opportunities' is proving to be a valued asset within the district and our children as we continue to fund the critical mental health and student wellness needs.

I, like many of you, moved my family here 8+ years ago for the exemplary schools and hometown feel. My family and I have secured deep roots within the community and our schools to make an impactful change in the lives of our children. In our time here, we have seen this community's grit as we "dig in" and rally around those in need locally time and time again.

I'm excited and honored to lead the Dripping Springs Education Foundation forward through these unprecedented times and do "whatever it takes" to ensure our children and district have the tools and resources needed to make a positive impact on our children. I'm grateful for everything Max Hunsicker and all current and past board members have done to get us to this point and look forward to the future challenges and successes to come.

George E. Gomez

Give Back **DSISD ALUMNI ASSOCIATION**

In partnership with DSISD and DSHS, DSEF launched the Alumni Association at the Class of 2020 Graduation on June 19, 2020. The Class of 2020, whose year was unlike any previous class with the challenges of COVID-19, became the founding members. Enrollment in the DSHSAA is free and can be completed online. The DSHS Alumni Association will create a sense of unity and loyalty among graduates of Dripping Springs High School. Visit <https://www.dsisdtx.us/alumni> for more information.

WAYS TO GIVE If you are interested in supporting DSEF through a **Donor Advised Fund**, please call Lou Mandy Bruggman at 512-858-3089

COVID-19 RESPONSE

Motivated by your belief in us, we have worked hard to continue to be relevant in supporting educators and students during this unprecedented time when they need us now, more than ever.

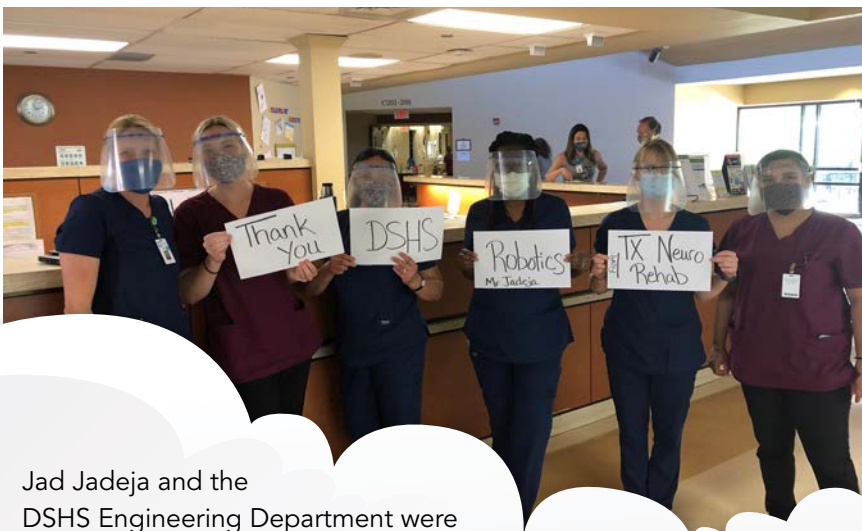

We were fortunate enough to have secured a **PAYCHECK PROTECTION PROGRAM LOAN** through the Small Business Administration. This loan gave us the flexibility to meet our payroll while continuing to invest funds raised from the Denim & Diamonds Gala to the areas needed most at this time.

We partnered with a local initiative, **DRIPPIN' WITH SUPPORT - ALL IN Y'ALL**, to uplift the small business community. Small businesses are a huge part of the Dripping Springs Education Foundation. **HUNDREDS OF BUSINESSES** support our mission each year. DSEF was able to provide **ALL IN YARD SIGNS** to the initiative with the Drippin' for Support logo added, for households to show their support and commitment to getting businesses through this crisis.

WE AWARDED THREE STUDENT LEADERSHIP GRANTS IN MAY. We were impressed by the submissions we received and will work with students and their faculty sponsors to have these grants funded and implemented as soon as it is safe to do so.

WE PARTNERED WITH DSHS AND BILL BAILEY'S SIGNS to provide senior signs to **ALL 480 DSHS GRADUATES!** We also promoted "Paint the Town" to honor seniors by decorating businesses, houses, mailboxes, etc. in school colors.

Finally, we have continued to be in close contact with the mental health professionals who your dollars help support. We partnered with DSISD and the **COUNSELING DEPARTMENT** to share helpful mental health tips through a new initiative called **"FEEL GOOD FRIDAY"** and re-launched our **ALL IN** campaign to raise additional dollars to support their work.

Jad Jadeja and the DSHS Engineering Department were tasked with fabricating 4,000 face shields for frontline workers in Puerto Rico. Students utilized equipment funded by DSEF through Innovative Teaching grants to successfully create personal protective equipment during the pandemic.

DENIM & DIAMONDS *Gala*

PLATINUM SPONSOR

DENBOW COMPANY INC
UTILITY CONSTRUCTION

THE DENIM & DIAMONDS GALA once again hosted a sold-out crowd at Dripping Springs Ranch Park on February 21st. While the air was chilly, we will forever be grateful for the earlier-than-usual date that allowed us to hold the event prior to COVID-19. The funds raised allowed us to meet all our commitments and support additional initiatives due to the pandemic. The live auction was **RECORD-SETTING** with **\$96,000 RAISED** and a total of **\$321,236** to support DSISD teachers and students. Entertainment was provided by *Weldon Henson* and items donated by hundreds of small businesses in Dripping Springs.

Schoolhouse SCRAMBLE

The **10TH ANNUAL SCHOOLHOUSE SCRAMBLE** was hosted by the Dripping Springs Education Foundation (DSEF) on Thursday, October 24th at Falconhead Golf Club in Bee Cave. **TITLE SPONSOR TERRY GARNETT OF TERRY GARNETT'S PROPANE** kicked off the tournament hovering above the first hole where 300 numbered golf balls were dropped. Golf balls were sold to the community prior to the event for a chance to win \$1,000 for the ball closest to the pin. The winner was **CAPRI PATTERSON** with golf ball #58. 32 teams and 128 golfers teed off to support teachers and students throughout Dripping Springs Independent School District. **RECORD-BREAKING FUNDS** were raised in the amount of **\$60,385** to fund DSEF's vision: TO ENGAGE OUR COMMUNITY TO PROVIDE MORE STUDENTS WITH BETTER OPPORTUNITIES. DSEF fulfills its vision by providing grants for teachers and students and has recently begun funding DSISD's Mental Health Services Initiative.
