ANNUAL REPORT 2020-21

REACH HIGHER *inspire*

Dear Tiger Nation,

The 2020-2021 school year is now in the books for the Dripping Springs Education Foundation (DSEF) and I am excited to announce that we collectively reached our goals and commitment to Dripping Springs Independent School District (DSISD) once again. With the closing of this latest school year, we have now completed year 2 of our 3-year commitment to our students' Mental Health Services Initiative.

This past year continued to present our families and schools with unprecedented challenges with the pandemic and I am humbled by our community's continued support to our district and children. Your DSEF Board of Directors have continued to innovate and adapt to the changing landscape and have confidently engaged our community leaders and supporters to advance our Mission and ensure our children and district are a top priority. Mental Health has taken front and center stage in many conversations in the community and I am reassured to know that we as a community have made this an essential priority for our children.

The Mental Health Services Initiative has already impacted hundreds of students across all DSISD campuses and has provided critical tools, coping strategies and interventions for students and parents alike. This program is not only life-changing, but life-saving as well, and we are honored to continue our work to fund this critical program for our district.

The new school year will see the return of our ITG (Innovative Teaching Grants) and SLG (Student Leadership Grants) programs as well as our Fall and Spring events. Additionally, we will continue to celebrate our hard working Teachers, Administration and Staff throughout the year with our Tiger Appreciation initiatives. Our DSEF Executive Team is committed to enhancing our operational excellence and Vision as we look to the future.

Thank you to all of our past, current and future supporters of DSEF. Your commitment to our community and children's future is what continues to inspire and drive our Board. I'm looking forward to another exciting and impactful year and hope you will join us.

2020-21 Highlights

STUDENT TO MHP

"I wanted to say thank you for helping me during that time in my life, for being patient with me and just listening. It was so necessary to have a caring person to help me process the mess. I will always be thankful."

MHP TO DSEF

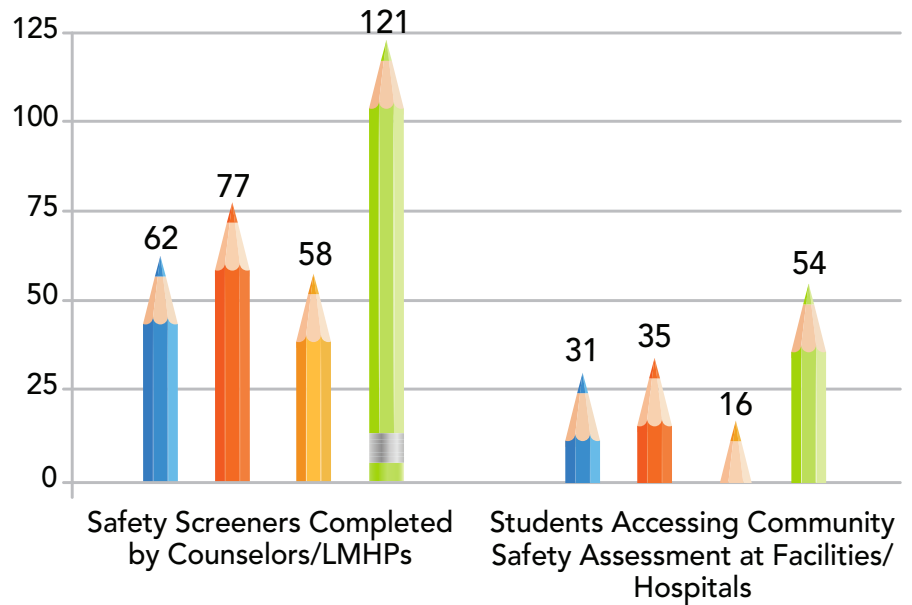

"This is absolutely a student who would NOT have had the means or family support to secure services anywhere else."

COUNSELOR TO DSEF

"A current student was with Stephanie during her freshman year for anxiety. This student's situation was so bad that when she came to us that she had been home-schooled for most of 8th grade because her anxiety wouldn't allow her to come to school. For the beginning of her 9th grade year, she spent many days with me in the counseling office. Once she started seeing Stephanie in 9th grade, she turned into a new person. She is calm and much more confident. While she still has bouts of anxiety, she has the skills to handle them most of the time. When she can't handle it, she comes to the counseling center to get refocused and then is able to return to class quickly. The progress in her is amazing!!!"

COUNSELOR TO DSEF

"I have a student who graduated in 2020 and was in a really abusive home. Since she was 18, there was nothing that was being done to help her. I got her in with Stephanie and I just heard from her. She told me that we literally saved her life by giving her hope, strength and the knowledge that people really cared. Stephanie, our MHP was incredible with her and built such a relationship with her that she even asked for a letter of recommendation from Stephanie. She wants to help others like she was helped."

DSISD EMPLOYEE GIVING

The amazing employees of DSISD support the Dripping Springs Education Foundation each year through our Employee Giving Program. Every donation counts! Last year **46% OF DSISD EMPLOYEES** gave back to the *"Whatever it Takes"* initiative and we are so grateful for their commitment to providing more students with better opportunities here in Dripping Springs! Congratulations to our campus with the highest participation at 85%: **DRIPPING SPRINGS ELEMENTARY SCHOOL**

TEACHER APPRECIATION

During a challenging year, especially for teachers and educators, we wanted to make sure our Tigers knew how appreciated they were! Each month, we had the privilege of spreading JOY to our faculty and staff with fun surprises! From Thanksgiving pies, Christmas Ornaments created by our very own Jad Jadeja, face masks, tumblers, and more, we wanted the hearts of our schools to know that we appreciate everything that they do ALL year long!

THANKS TO OUR SPONSORS

Nick LeFevre

COMMUNITY YOUTH FUND

The Nick LeFevre Community Youth Fund continues to be a vital support for students in DSISD who face financial barriers to participating in extracurricular activities. We are extremely thankful for the LeFevre family's commitment to the Dripping Springs Community. Last year, the LeFevre family supported numerous students through **\$5,442.94 IN FINANCIAL SUPPORT.**

GIVE BACK DSISD ALUMNI ASSOCIATION

In partnership with DSISD and DSHS, DSEF launched the Alumni Association at the Class of 2020 Graduation. After just 2 graduating classes, we have over 350 members and growing! Anyone who is a Dripping Springs Alum is welcome to join. Enrollment in the DSHSAA is free and can be completed online. The DSHS Alumni Association will create a sense of unity and loyalty among graduates of Dripping Springs High School. Visit <https://www.dsisdx.us/alumni> for more information.

Jad Jadeja

MEMORIAL SCHOLARSHIP FUND

In January, we lost a beloved colleague, inspirational educator and friend of the education foundation, Mr. Jad Jadeja. After his passing, the Foundation received over \$15,000 in generous donations in his memory.

With these funds, and in collaboration with his family, we are proud to announce that a scholarship fund has been created in his name which will honor the legacy of Mr. Jadeja for many years to come.

The recipient of the first-ever **JAD JADEJA MEMORIAL SCHOLARSHIP** in the amount of \$1,000 is graduating senior **DREW WILSON**, who will be attending the Georgia Institute of Technology in the Fall to pursue a degree in engineering.

Jad inspired his students to dream big, to work hard, and to stay curious. While he is deeply missed, he will never be forgotten. And thanks to our generous community, his legacy will live on through the continued education of the engineering students at Dripping Springs High School.

DENIM & DIAMONDS *Gala*

THE DENIM & DIAMONDS GALA looked very different this past year, as we pivoted with the times to host a Virtual Gala for the first time ever! While the event was a shift from the normal 700 person event, we still felt the love from our supporters in the community. The virtual gala was held on April 16, 2021, LIVE from **HUDSON'S ON MERCER!** Hudson's hosted the event and provided the incredible musical talent from our very own Dripping Springs ISD students! While we could not gather altogether, sponsors were able to host small gatherings at their home or office with incredible charcuterie boards from **PIEOUS**. Thank you to our Presenting Sponsor, **DENBOW COMPANY** and our Gala Chair, **STEPHANIE COLLINS!**

We are thrilled that **WE WERE ABLE TO RAISE AN INCREDIBLE \$152,433.85** through sponsorships, our virtual silent auction and raffle, and fund-the-mission donations! Thank you to all who participated.

That evening we had 328 streams on YouTube and over 300 people registered for the event to participate in the silent auction and raffle on their phones. Together or apart our kids come first, and we truly felt the support from all over Dripping Springs and beyond!
